A collection of handwritten musical notation in blue ink. The notation consists of various note heads, stems, and beams, some with accidentals (sharps and flats). The notes are arranged in a somewhat chaotic but rhythmic pattern, corresponding to the letter-based notation above. The word 'Music' is written in a cursive style at the bottom center of the page.

Winters

In the Burren Mountains.

Not a lot of cows are taken up.

The cows travel on foot

Each cow grazes the grass

Rare flowers get a chance to grow there.

After the cows are brought back down in Spring

Grazing stops the hazel from growing.

Everyone likes this beautiful place.
